

Managers Making it Happen

Leading Person Centred Services in Leeds

This course is a series of ½ day workshops which give practical ideas about how to provide strong leadership.

The training is delivered by Connect in the North. They have been delivering person centred thinking training for over 25 years.

Participants can book on all or just some of the sessions.

Day 1

Person Centred Organisations

Wednesday 21st October 2026

9:30AM-12:30PM

Recognise the characteristics of person centred organisations and assess your own service and management style.

Day 2

Person Centred Leadership

Wednesday 4th November 2026

9:30AM-12:30PM

Develop your leadership skills and find new ways to inspire your team and change lives.

Day 3

Co-Production and Meaningful Involvement

Wednesday 2nd December 2026

9:30AM-12:30PM

Find new ways to meaningfully involve people with learning disabilities in shaping services. You will be introduced to a range of participatory learning and action tools.

Day 4

Building Person Centred Teams

Wednesday 13th January 2027

9:30AM-12:30PM

Understand the value of difference within a team. Know how to solve problems co-operatively and creatively. You will understand the value of consensus decision making.

Day 5

Person Centred Thinking Tools

Wednesday 24th February 2027

9:30AM-12:30PM

Discover how to implement person centred thinking tools in your service. Find out how they can be used to write good outcomes and be used in recruitment.

Day 6

Making Change Happen in Organisations

Wednesday 10th March

9:30AM-12:30PM

Understand about change as a process. Know how to collaboratively develop strategies for change.

This training is free for managers of services supporting people with learning disabilities in Leeds.

You can book on this training by emailing

- Your name and contact details
- The name of the person you are booking on
- The sessions you want to book
